

Coronavirus Protocol

Due to COVID-19 we have had to change the way we operate. We adhere to all Government guidelines issued.

Our engineers will sanitise before and after visiting your site to carry out a service or repairs on your biomass system.

All engineers' vehicles have sanitising products, antibacterial wipes, so the engineer can wipe down anything they touch.

All colleagues in all departs have been issued with the relevant PPE including masks, gloves, sanitisers and antibacterial wipes.

We will not post invoices unless essential.

Please ensure you phone before visiting our depot and do not enter the offices, you will be met outside.

If you would like to discuss any of the above with us or have any questions or queries, please do not hesitate to contact us via phone on 01437 761320 or email info@pbe.org.uk.
